Thousands of Michigan companies trust the Michigan Chamber for their labor law poster needs. Order online or call 1-888-763-0514 (option 1). Volume discounts are available for ten or more poster sets.

Expert Presenter

Douglas W. Crim

Principal
Miller, Canfield, Paddock and Stone

Douglas represents employers in MIOSHA and OSHA Enforcement actions in Michigan and in other states. He also assists employers in conducting confidential compliance audits for environmental, health, and safety (EHS) laws and regulations and developing programs to address an employer's individual EHS management and compliance needs.

Special Notes

CERTIFICATION

This program qualifies as:

Six (6) credits for the MI Chamber Basic or Advanced Environmental, Health & Safety Compliance Certification Program;
Four (4) HR (General) recertification credit hours for PHR, SPHR and GPHR recertification through the HR Certification Institute;
Four (4) PDCs for the SHRM-CP or SHRM-SCP.

GROUP AND MEMBER DISCOUNTS

Members receive a \$25 discount per person. Also, the first person from your organization pays the full seminar fee, then each additional person pays \$25 less per seminar.

CANCELLATIONS AND SUBSTITUTIONS

To cancel, please provide at least 72 hours' notice, at which time a credit will be issued that must be used within 6 months. Less than 72 hours' notice or no-shows will forfeit the entire registration fee. Substitutions may be made at any time.

Training for Michigan businesses to remain compliant with state and federal laws, stay competitive in the marketplace, widen their operating margin and develop their employees.

Seminar Agenda

A good employee health and safety program is the best way for a company to manage its MIOSHA compliance and workplace health and safety issues and reduce the risk of serious negative consequences.

Join us for this full-day seminar to learn the key elements of health and safety programs. This seminar is interactive with participants having an opportunity to discuss development and enhancement of safety and health programs, as well as specific challenges faced in participants' programs.

Agenda:

- Identify potential gaps/enhancement opportunities for existing health and safety programs.
- Evaluate model/sample employer health and safety programs.
- Understand MIOSHA/OSHA regulatory structure.
- Prepare for MIOSHA inspections.
- Appeal alleged MIOSHA citations.
