In consideration of the Michigan Chamber of Commerce ("MI Chamber") from time to time granting Certificates of Origin and other export-related documents, or otherwise certifying documents upon request by the above named Organization (henceforth referred to as the "Organization"), the Organization hereby accepts FULL responsibility for the veracity, accuracy and completeness of such documents as are submitted by the Organization (and/or its representatives), or by the Organization on behalf of any of its clients.

The Organization also affirms that the documents submitted for certification will not pertain to the export of controlled goods; if affirmative, that it (or its clients) will obtain the necessary authorizations prior to submission to the MI Chamber.

Further, the Organization waives and agrees to release and hold harmless the MI Chamber and its officials in respect of all claims or expenses that the Organization or foreign authorities may have against the MI Chamber or its officials or agents, now or in the future, in connection with such certification, and to indemnify the MI Chamber, its officials and agents in respect of any costs or liability to the MI Chamber, its officials or agents arising from such certification.

The Organization acknowledges that the MI Chamber will keep copies of documents certified with the background documentation provided. If the MI Chamber is presented with a demand for production of documents which is authorized by law, the Organization authorizes the MI Chamber to produce documents received from the Organization in accordance with the demand. The Organization also agrees to make readily available to the MI Chamber any other background documents (to be kept by the Organization for at least three years after the certification), for review by relevant authorities if requested.

Primary Contact / Authorized Official: This is the exporter's primary contact for certification matters. For users of Tradecert, the online Certificate of Origin system, this will be the primary system user who has authority to set up other users within the Organization.
