

Michigan Chamber of Commerce

## INVESTING IN BUSINESS

The Michigan Chamber, with its team of five full-time registered lobbyists, has been voted the best membership lobbying organization in the state because of its commitment to working with state lawmakers to promote and support policies that are essential for job creation, economic growth, and free enterprise. With a new administration in Lansing, the team will be championing members interests and advocating for pro-business legislation to encourage job creation and business growth in Michigan.

*As the leading voice for business in Michigan, the Michigan Chamber will continue to the fight for...*

**EDUCATION & WORKFORCE READINESS** — Work to narrow the skills gap and increase workforce and post-secondary readiness.

**EMPLOYER RIGHTS** — Support the right of employers to enforce and/or amend drug-free workplace policies.

**ENERGY & ENVIRONMENT** — Work with legislation to provide clarity to identify emerging contaminants and implement action for remediation.

**HEALTH CARE** — Oppose any legislation that would add costs to any employer's ability to provide competitive health insurance benefits.

**LEGAL REFORM** — Fight for reasonable reforms to Michigan's auto insurance system to drive down auto insurance costs.

**TAX CLIMATE** — Protect Michigan's longstanding and fair property valuation methodologies.

**TRANSPORTATION & INFRASTRUCTURE** — Support the development and funding of a plan to fix Michigan's roads and bridges.

*"An increase in minimum wage and mandatory paid sick leave law would have put a huge burden on us, or God forbid, it would have put us out of business. Thank you, Chamber, for understanding our issues and making our voice heard!"*

— David Jackson, Edru Skate in Holt, MI
